Description

CUSTOM BUILT HOME! Situated on a treed 5.81 acre park-like lot in the desirable East St Paul is this 1,900 SF, 4 +1 bed, 3.5 bath home featuring neutral tones & plenty of upgrades throughout! The living room features a cozy gas brick fireplace & large windows illuminating the space with natural light. The updated eat-in island kitchen (19) offers plenty of cabinet space, quartz countertops, tiled backsplash, a corner pantry, and patio doors to the large deck & beautifully landscaped backyard oasis - perfect for hosting! An office/den & a 2 piece bath complete the main floor. The upper level primary bedroom retreat features a large walk-in closet & access to a 4 piece ensuite. 2 additional bedrooms & a 4 piece bath complete the upper level. The lower level offers a spacious rec room, additional bedroom, 4 piece bath, & laundry room. Spend the sunny summer days lounging on the deck, relaxing in the 10x16 screen room, or having a fire down by the pond! Enjoy a double attached

garage and a 10x16 shed for your tools & toys!
