Description

This gorgeous 1,978Sq.Ft 6 bedroom, 2.5 bathroom raised bungalow is located in the desirable West St. Paul, just minutes from the perimeter. Upon entering, you're greeted with gleaming hardwood floors, high ceilings and a spacious layout. The dining room with a built-in hutch is perfect for hosting family and friends. The kitchen is a chef's dream, with a large center island, maple cabinets, granite countertops, and stainless-steel appliances, all overlooking the bright family room. The primary bedroom offers a private retreat with a large 4-piece ensuite, including a jetted tub, and a walk-in closet. The main floor features an office, main floor laundry, an additional bedroom, and 1.5 baths. The partially finished lower level offers endless potential, and includes 3 spacious bedrooms with a 4th bedroom with roughed in plumbing. Outside, enjoy a 1.4-acre lot with an above-ground pool and 8-person hot tub. As well as a large raised herb garden and detached shed, ideal for summer activities. The triple attached garage provides ample space for your tools

and toys.
