Description

Great family home lovingly cared for by original owners! Situated on a 1.56 acre lot in Oakbank is this 2,200 SF, 3 bedroom, 2.5 bathroom home featuring neutral tones and ample natural light throughout. The front entranceway opens up to an inviting living room and dining room that offers a soaring ceiling, large illuminating windows, making any guest feel at ease. The eat-in kitchen features oak cabinets with granite countertops, SS appl, a large island, dining area, and access to the family den. A small powder room completes the main floor. In the upper level a catwalk-like hallway leads to the primary bedroom retreat that offers large windows, plenty of closet space, and access to a 5pc ensuite. There are two additional bedrooms with a shared 4pc bathroom. The finished lower level features a spacious rec room with a bar area, lounge, a game table for pool, and an additional Den. The backyard is even more impressive with a spacious space for gardening and a fenced in pool to enjoy in those hot summer months!
