Description

Experience luxury in this exceptional Mannington home, thoughtfully designed with premium finishes and outstanding amenities throughout. Offering 3 beds plus 2 dens, 3.5 baths (including 2 ensuites), and a stylish powder room, this home blends elegance with everyday functionality. Soaring floor-to-ceiling windows fill the space with natural light, while the electric fireplace creates a warm, inviting atmosphere. Premium features include stunning Ceralsio countertops, a Control4 smart home system, power blinds, central vac, and in-floor heating throughout all tiled areas and heated garage. Main floor + lower-level laundry add convenience, while the wet bar with beer keg dispenser, wine cellar, and multiple bar fridges make entertaining effortless. Additional appliances throughout the home include 2 more dishwashers and another refrigerator. Unwind in the sauna w/ shower after a workout in your gym, or relax in the beautiful 4-season sunroom. Enjoy the outdoors on your patio surrounded by beautifully landscaped grounds. Complete with a hobby shop in the

garage, built-in office cabinetry, and an in-ground sprinkler system, this extraordinary home is the epitome of luxury living
