Description

This newly updated two bedroom, two bathroom home perfectly blends modern upgrades with character. Featuring sleek fixtures throughout, the home is move-in ready and offers a spacious, flowing layout. The main floor includes a bright kitchen with plenty of cupboard space, stainless steel appliances, and abundant natural light. This opens into a dining area with beautiful wooden stairs leading down to the living room. Adjacent to the living room, you'll find a bedroom with a large closet. The main floor also features a stylish bathroom with a large soaker tub. The lower level includes a partially finished rec room, offering flexible space for entertainment or a home office, along with plenty of storage. The backyard is a standout, with a detached workshop ideal for hobbies, tools, or extra storage. With modern updates, a great layout, and plenty of outdoor space, this home is the perfect place to call your own.
