Description

Experience exceptional estate living in this breathtaking East St. Paul home, offering 5 bedrooms, 4.5 bathrooms, and an incredible 4,900+ sq. ft. indoor pool house. Spanning over 12,000 sq. ft., this residence is built for luxury and entertaining. The open-concept layout flows effortlessly from the family room to the gourmet kitchen and spacious living area. The elegant primary suite boasts vaulted ceilings, south-facing windows, a spa-like 4-piece ensuite, and a walk-in closet. Additional highlights include a wine cellar, expansive rec room, multiple wet bars, and a state-of-the-art theater. Step outside to your private retreat—2.23 acres featuring a sprawling composite deck and a heated detached shop. Designed for year-round enjoyment, the impressive indoor pool house features stunning timber frame construction, a wood-burning fireplace, change room, bathroom, and more—offering the ultimate private retreat.
