Description

Discover your dream riverfront retreat, where elegance, comfort, and nature blend in perfect harmony. Boasting 3420 sqft with a fully finished basement, this stunning home will impress from the moment you arrive. The striking exterior design is paired with an oversized triple garage and an expansive driveway. Step inside to a bright, inviting foyer that opens into a pristine open-concept layout. The kitchen with a bonus spice kitchen flows effortlessly into the dining area and impressive great room, highlighted by soaring ceilings, custom staircase, tiled floors, LED lighting, and breathtaking river views. Enjoy year-round relaxation in the all-season sunroom or step out onto the elevated deck to soak in the tranquil scenery. The main floor features a peaceful bedroom with river views and its own private 4-piece ensuite. Upstairs, you'll find three spacious bedrooms, a convenient laundry room, and an oversized 24' loft with access to the balcony. The primary suite is a true retreat overlooking the river. The lower level offers an expansive rec room, additional

bedroom, gym/flex space, full bathroom, and a stylish entertaining bar. Schedule your private tour today!
