Description

Showings Start Now! Offers Thursday September 4. Discover this beautiful home set on 4 acres, offering the perfect blend of comfort, craftsmanship, and modern convenience. Inside, you'll find beautiful oak finishes, elegant rounded corners, and thoughtful design with 10 closets throughout for exceptional storage. The kitchen is a standout with a raised island, while the living area boasts soaring 13-foot vaulted ceilings that create a bright, open atmosphere accompanied with a cozy fireplace. The primary bedroom features a spacious 4-piece ensuite, providing a private retreat within the home. Two additional bedrooms and another 4 piece bathroom complete the home. The exterior is just as striking, featuring a natural stone front and a spacious composite deck, ideal for relaxing or entertaining. The garden shed (10x12) and storage shed (8x8) make great room for additional storage. The oversized pull-through garage is fully equipped with hot and cold taps and 240 power for a welder or heater, perfect for hobbyists and professionals. This well

maintained home with practical features is all set on a private 4-acre lot, offering the space and lifestyle you've been looking for.
