Description

OTP Presented Sept 9 – Open House Sept 7, 1:00–2:30 PM. Beautifully updated 1040 SF 3 bdrm, 2 bath bungalow with a dream 27x27' insulated detached garage - complete with natural gas hook-up for a shop heater & 240V wiring - perfect for a heated workshop, hobby space, or winter garage sanctuary! The open concept main floor features vaulted ceilings, laminate flooring, large bay window & cozy fireplace with living room TV included. The stunning kitchen offers granite counters, stone backsplash, modern finishes & included stainless steel appliances, flowing seamlessly into the dining and living areas. Main level includes 2 spacious bedrooms, including the primary with dual closets, plus a full bath with quartz vanity & soaker tub. The fully finished basement features a rec room, 3rd bedroom, 3pc bath with tiled walk-in shower & bonus storage room. Step outside to a fully fenced, newly landscaped backyard with pergola—perfect for entertaining or relaxing—and enjoy the bonus front deck with included patio furniture for extra outdoor living

space. Recent updates include hi-eff furnace (2024), newer HWT (2025), and more!
Don't miss this turn-key home—book your showing today!
