Description

Located in the sought-after Pritchard Farm Southlands Village community of East St. Paul, this beautifully designed bungalow offers a wonderful combination of comfort, privacy, and functionality. The inviting main floor features a bright, open-concept great room highlighted by a custom media feature and gas fireplace. The maple kitchen is thoughtfully designed with granite countertops, a generous island, and plenty of cabinetry, opening to the dining area with direct access to the deck overlooking the peaceful natural surroundings. The spacious primary bedroom provides a relaxing retreat with a luxurious ensuite. The fully finished lower level expands the living space with a large recreation room and second fireplace, dedicated games area, two additional bedrooms, and a full bathroom. Built on piles with a suspended wood floor system and situated on a quiet cul-de-sac, this home offers quality construction in a tranquil setting.
