Description

Set on 2.22 beautifully treed acres in St. Clements, this inviting 1,696 sq ft home offers a peaceful, private setting with plenty of space to enjoy. The main level features gleaming hardwood floors and a welcoming living room anchored by a cozy fireplace. The oak kitchen is designed for both everyday living and entertaining, complete with a two-tier island, drink fridge, pantry, abundant cabinetry and appliances. The spacious primary bedroom features its own 4-piece ensuite, while two additional bedrooms and a full bathroom complete the main floor. The finished lower level expands the living space with a dedicated theatre room, wet bar, generous recreation room, gym, fourth bedroom and full bathroom. Outdoors, beautifully landscaped grounds create a private retreat with a deck, covered porch, fire pit and gardening area, plus a storage shed for added convenience. A double attached garage completes this wonderful country property. Photos 15, 18-20 and 23 are virtually staged.
