Description

Experience luxury in this stunning residence custom-built by Maric Homes, on a quiet cul-de-sac on one of the largest park-like lots in the neighbourhood. Designed with elegance and functionality in mind, this impressive home offers 3 spacious beds, 2.5 baths, and an exceptional layout for everyday living and entertaining. A grand double-door entrance welcomes you, where soaring windows flood the living space with natural light while a fireplace creates a warm, inviting focal point. The chef-inspired kitchen features an expansive centre island, pantry, SS appliances, beverage fridge, abundant cabinetry, and generous counter space. The 3 season sunroom provides the perfect setting to relax and enjoy the surrounding views throughout. The luxurious primary retreat offers a spa-inspired 5pc ensuite and a spacious walk-in closet, while 2 additional bedrooms are connected by a 4pc bathroom. Step outside to your own private sanctuary, where mature trees and landscaping surround a spectacular in-ground pool with multiple spaces for lounging,

entertaining, and enjoying the peaceful setting. Completing this remarkable property is a triple attached garage, offering ample room for vehicles, storage, and hobbies.
